MY PROJECTS

BOC SMART PASSBOOK APP

- According to the reviews and comments on the google play store. I'm redesigning BOC smart passbook APP.

BOOK AUTHOR WEBSITE

- Book author can promote his works and sell his books using this website. As well as he can publish his articles on this web.

FUEL PASS APP

- The fuel pass APP is a conceptual project, an idea by me during the crisis situation. This APP app help to manage the Sri Lankan fuel crisis.
